Dear Michael,

I hope you enjoyed the extended weekend!

I apologise for my late reply. Please find attached the logos of both la Caixa and the EC in vector format. I have also attached an application guide for the "la Caixa" logo.

In fact you should use two sentences:

"This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No. 713673."

"Michael Seitz has received financial support through the "la Caixa" INPhINIT Fellowship Grant for Doctoral studies at Spanish Research Centres of Excellence, "la Caixa" Banking Foundation, Barcelona, Spain."

Best regards,

Gisela

Dear Gisela,

I just wanted to check in again regarding the logo(s) and text for the poster, presentation and papers.

I will need to print my poster on Tuesday/Wednesday (latest). If you will not have it by this time, this is not a big problem, as the poster mainly features work that I did at MIT. However, please let me know what the status on your side is.

Thank you very much and wish you a great extended weekend.

Regards,
Michael

Dear Gisela,

I hope you are doing fine!

I would like to thank you, Paola, Emilia, Elisabeth again for the wonderful week in Girona!!

Currently, I am preparing a poster and would like to include the support from la Caixa and Marie Skłodowska-Curie. Could you send me the logo(s) and sentence(s) I should include? It would be great, if you could send me the instructions for posters, presentations and papers. Also if possible it would be great to get the logo(s) for both white and black background in a vector format.

Thank you very much in advance!

Kind regards,
Michael
